

*** * * First Timers Water Workshop * * ***

Saturday, July 28, 2018

Pleasant Prairie Springs Park – North Side of Lake Andrea

9 am to 2 pm - arrive @ 8:30 am

Join us for a First Timers Water Workshop. This workshop is intended for all those new to or with little previous water experience.

No previous training is required. This session will focus on the basics of getting you and your dog swimming in the water and will teach the basic skills for water training: basic control, retrieving, carrying and pulling. At the end of the day you will learn the fun of water work and have the skills necessary to train your dog for the junior water exercises.

Items to brings: Water shoes, life jacket (for you), 6’ nylon or cotton leash, lawn chairs, cooler with a lunch and water/drinks for yourself and water and a bowl for your dog. Dog training treats. Water equipment, if you have it: bumper, boat cushion, life vest, 6’ line. Equipment will be available to borrow.

Shade is limited, a couple pop-ups will be provided, your own car shades/pop-up tents are recommended.

Trainers: Dona Baker-Austin & John Jackman

Directions to site on website at www.northcentralnewf.org

Participation limited to 16 dog/handler teams.

Fee: \$15.00 per team, spectators no charge.

Mail reservation with check payable to NCNC to:
