North Central Newfoundland Club has been granted permission to hold this NCA Water Test by the Working Dog Committee of the Newfoundland Club of America in accordance with the Water Test Regulations approved in 1999 and updated March 2018.

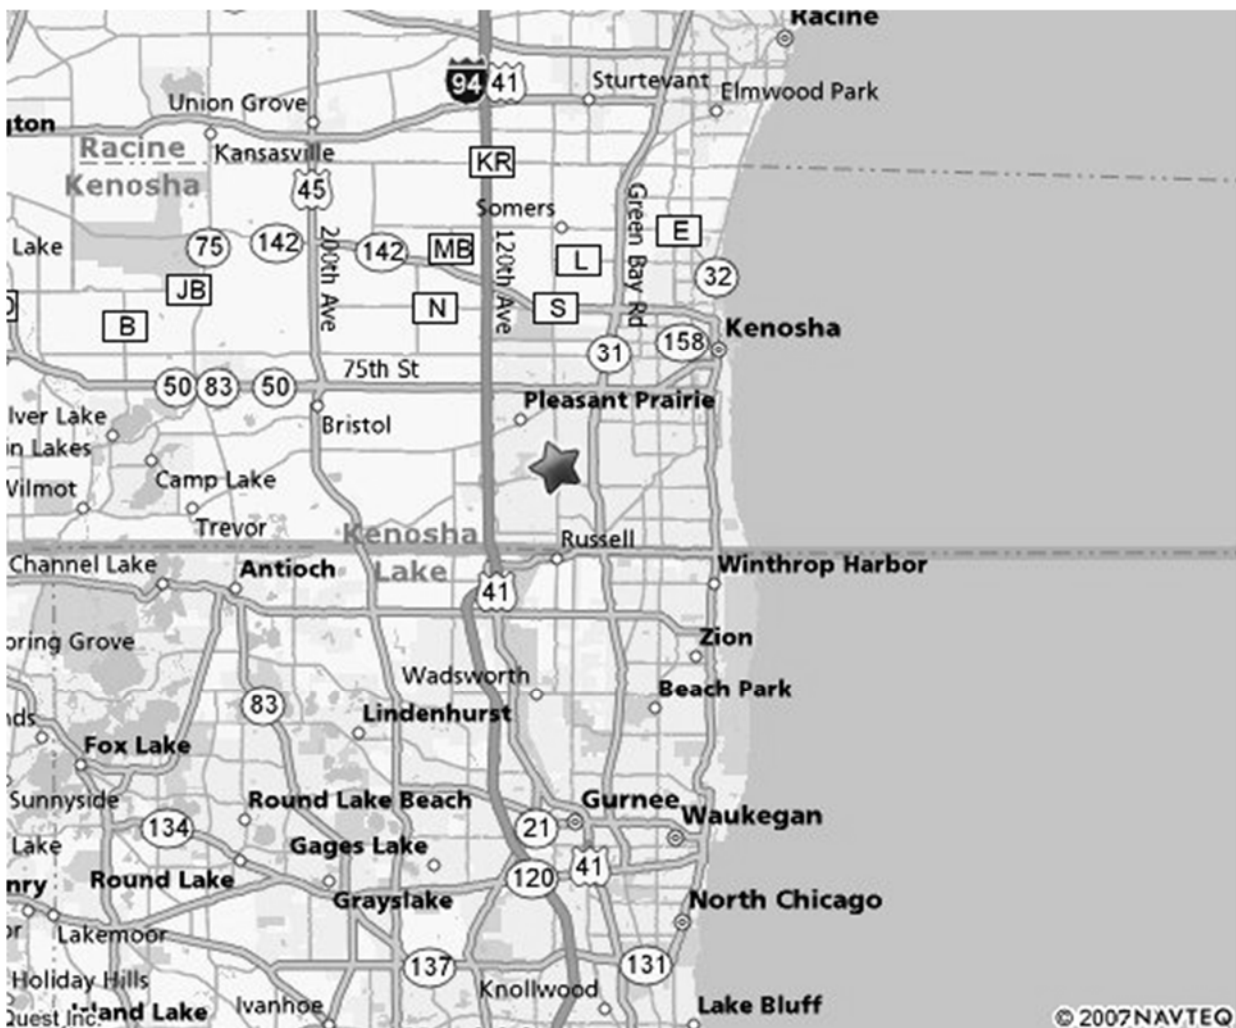

**\*\*\* We recommend entrants bring a pop-up tent for shade/shelter. \*\*\***  
**\*\*\* A few tents will be provided by NCNC. \*\*\***

## About The Site

Lake Andrea is a 100-plus acres sand bottom quarry lake with 2.3 miles of shoreline. The test site has a grassy shoreline. Dogs will be swimming within 20 feet of the shore with the depth dropping off at 40 to 50 feet out. A large, grassy area for spectators, ample parking, and an enclosed air-conditioned pavilion on-site and overnight RV parking make this an optimal site. There are some small trees nearby for shade. However, participants may want to bring additional shade for their dogs, i.e., pop-up tents.

The Park is open year-round and the facilities include ample picnic areas, walking trails, beach swimming and playgrounds. Restrooms and changing areas are located in the adjacent indoor pavilion.

Entries will only be accepted from **NCA members postmarked Wednesday July 11<sup>th</sup>, 2018 or later**; entries will only be accepted from **non-NCA members postmarked Saturday July 21<sup>st</sup>, 2018 or later**. Entries will be accepted by mail only. Entries from NCA members postmarked prior to Wednesday, July 11<sup>th</sup>, 2018 will be returned; entries from non-NCA members postmarked prior to Saturday July 21<sup>st</sup>, 2018 will be returned. Available entry slots will be filled according to the postmark date.

If the number of entries with the same date exceeds the number of available slots, a drawing will take place to fill the vacancies and determine the alternates. All entries received after the entry limit has been reached will be placed on an "alternate list" by order of those without titles, in order of postmark, followed by requalifiers in order of postmark. If absentees or withdrawals occur prior to the start of the test, the test secretary will substitute entries from the alternate list. When notifying exhibitors of their entry numbers, exhibitors on the alternate list will be notified of their position on the list.

Entrants who learn they will be unable to attend a water test must contact the test secretary immediately so exhibitors on the alternate list may be notified. Entry fee will be refunded if withdrawal of an entry is done prior to the closing date of the water test. Entry fee will be refunded for those on the alternate list who do not make it into the test. Entry fees will not be refunded for a dog on the alternate list who would have made it into the test had the dog been in attendance as per the Water Test Regulations, Chapter I, Section 12: Entry Limitation – "Alternates and Refunds." Dogs qualifying in the junior division may post enter on the day of the test for an additional \$20 entry fee. Post entries will be accepted for 30 minutes following the conclusion of the Junior Division.

**The entry fee is \$45 US dollar.**

## **Waiver of Rights -- Animals In Distress**

The Newfoundland Club of America, Inc, and the regional club hosting this event reserves the right to remove any animal in distress from a parked vehicle or crate, and all persons attending this dog event hereby waives any claim for damages against the Club for such removal. The NCA regards the health, safety and life of any dog on the event grounds to be paramount to other property or privacy rights. If the owner cannot be found in a timely manner, we will take whatever action is necessary for the safety of the dog, which may include breaking windows to enter a vehicle. Dogs found in an unsafe environment, distress, or in harm's way (for example, left in a vehicle without proper ventilation) will be removed to safety. Exposing a dog to an unsafe environment, distress, or harms way is considered mistreatment and subject to appropriate discipline.

### **\*\*\*\*\* Important Working Dog Announcement \*\*\*\*\***

The NCA Board recently adopted the new, official AKC policy with regards to dog aggression for use at NCA working events, such as Water and Draft tests. That policy is as follows:

"Any dog, that in the opinion of the Event Committee, attacks a person or a dog at an NCA working event, resulting in an injury, and is believed by that Event Committee to present a hazard to persons or other dogs, shall be disqualified. When the Event Committee pursuant to this section disqualifies the dog, a report shall be filed with the NCA Board. The disqualified dog may not again compete at any NCA working nor be on the grounds of an NCA working event unless and until, following application for reinstatement by the owner to the NCA Board, the owner receives official notification in writing from the NCA Board that the dog's eligibility has been reinstated."

It is very important that each handler keep watch over his or her own dog(s) to avoid any possible confrontation that might result in a Test Committee hearing on the matter, etc.

### **Exhibitor Responsibility**

Each exhibitor is responsible for providing his/her own water test equipment, including a U.S. Coast Guard approved personal flotation device and suitable foot protection to be worn in the water. Each exhibitor is responsible for the knowledge of the official NCA Regulations governing a Water Test and the applicable Standards of Performance. Regulations can be downloaded from the NCA website at <http://www.newfdogclub.org>.

### **Requalifications as Multiple Division Entries**

Multiple Division requalifications will be allowed at NCA Water Tests. Dogs may be entered in more than one division on the same day but only if they have already qualified, at previous tests, in all of the divisions entered. Each entry must be sent on a separate entry form. If the entry for the test exceeds its limit and a lottery is necessary, the dog may not get into each division entered. There will be no substitutions for dogs to change divisions if their entry is chosen for one division but not the other in a lottery. Judges must excuse any dog not in condition to finish the division entered and, if so, the dog will not be able to continue in any other division entered that day. Entry fees will not be refunded for dogs that are excused. Entrants are discouraged from pushing their dogs beyond their limits.

**PLEASE NOTE: Bitches in Season** will be tested after **ALL** other entrants have been tested on the day of the test. Please inform a test committee member as soon as possible if you will be bringing a bitch in season to the test. Bitches that have had an ovarian sparing spay are required to be tested as "Bitches in Season".
